Overview

The Aston Martin DBX Base is an off-road SUV powered by a 4000cc gasoline engine with a 4WD drivetrain, finished in Hyper Red and specified with exterior and interior appearance packages. %READMORE% The configuration emphasizes a combination of high-displacement propulsion, extensive driver-assist systems and tailored interior appointments including duotone leather, heated and ventilated seats and a full-segment TV.

Driving Performance

The vehicle is equipped with a 4000cc gasoline engine paired with a 9-speed automatic transmission with column-mounted manual mode. The 4WD system, Turbocharger setting model and stability aids work together to provide controlled traction and driving characteristics across varied conditions; Hill Descent Control and Anti-skid device support low-speed control on steep or slippery surfaces.

Interior and Equipment

The cabin accommodates five occupants and is trimmed in Duotone Leather (Red/Brown) with a leather roof liner and carbon interior accents. Comfort features include Heated & Ventilated Seats, Seat air conditioning, Seat heater, Electric seat adjustment, bench seating arrangement where specified, TV: Full-segment, Display

audio with Apple CarPlay/Android Auto compatibility, Car navigation system (HDD) and a dashcam. Convenience items include Keyless access, Smart key, Power windows and an audio system with music player connectivity.

Technologies and Assistants

Key systems listed are Collision mitigation braking, Adaptive Cruise Control, Lane Keep Assist, Parking Assist, Obstacle sensor, ABS, Airbags (Driver's seat/Passenger seat/Side/Curtain), Full-width camera and multiple Cameras: Front/Side/Back with Monitor: Blind Spot/Rear Traffic, Anti-theft device, Idling Stop and Automatic high beam.

Exterior

Finished in Hyper Red with the Hyper Red Exterior Pack (Gloss Black) and 23-inch Alloy Wheels, the DBX presents Aston Martin styling with adaptive LED headlights, Sunroof/Glass Roof, roof rails and aluminum wheels. Exterior appointments include gloss-black trim elements and carbon interior/exterior accents that align with the specification.
