Overview

The Audi RS Q8 TFSI quattro tiptronic 09/2023 is a flagship high-performance SUV that combines supercar-level power with everyday luxury and practicality. %READMORE% Finished in Mythos Black Metallic and equipped with carbon exterior elements and ceramic brakes, this RS model delivers aggressive styling, exceptional braking performance, and unmistakable road presence.

Performance

At the heart of the RS Q8 is a 4.0-liter V8 TFSI engine paired with an 8-speed tiptronic transmission and Audi's legendary quattro all-wheel-drive system. The combination ensures explosive acceleration, precise handling, and confident grip in all driving conditions. The RS Sport Exhaust enhances the driving experience with a powerful and distinctive sound.

Interior and Comfort

The cabin features premium leather seating and decorative carbon trim panels that emphasize the sporty character. Electric and heated seats, advanced climate control, and a panoramic roof create a refined and comfortable environment for both driver and passengers.

Technology and Safety

Advanced driver assistance systems include adaptive cruise control, Lane Keep Assist, collision mitigation braking, Blind Spot Monitoring, and a comprehensive camera system for safer maneuvering. The Bang & Olufsen 3D sound system delivers an immersive audio experience.

Exterior

The bold RS design is highlighted by carbon exterior accents, red brake calipers with carbon ceramic brakes, adaptive headlights, and large aluminum wheels. The Mythos Black Metallic finish further enhances its powerful and premium appearance.
