

Audi S8 , 2022

Audi S8 4.0 4WD Comfort Package with Sunroof and Bang & Olufsen Audio System 2022

Safety Equipment: The vehicle is equipped with advanced safety features, including an Anti-lock Braking System (ABS), Electronic Stability Control (ESC), Adaptive Cruise Control, Lane Departure Warning, Blind Spot Monitoring, and airbags for both the driver and passengers.

Comfort Equipment: The Comfort Package includes a premium Bang & Olufsen audio system, leather seats with heating and ventilation functions, a multifunction heated steering wheel, four-zone climate control, keyless entry and engine start, the MMI Navigation Plus system with a touchscreen display, Apple CarPlay and Android Auto support, and a panoramic sunroof.

Interior: The cabin features high-quality leather upholstery, carbon fiber decorative trims, a fully digital Audi Virtual Cockpit instrument cluster, ambient interior lighting, a spacious rear seating area with massage function, and power-adjustable seats with memory settings.

Exterior: The exterior is finished in Glacier White Metallic, with 21-inch alloy wheels, Matrix LED headlights, OLED rear lights, a sports differential, soft-close door function, and a black roof lining.
