

Audi A1 , 2023

Audi A1 Sportback 25 TFSI Advanced - 08/2023

Safety and Assistance Systems:

This A1 Sportback is equipped with essential safety features including multiple airbags, electronic stability control, and anti-lock braking system (ABS). It also includes advanced driver assistance features such as a lane departure warning system and Audi pre-sense basic for enhanced city driving confidence.

Performance and Handling:

Powered by a 1.0-liter inline 3-cylinder turbocharged engine, the A1 delivers **110 horsepower**, paired with a **7-speed S tronic automatic transmission**. This compact powertrain offers an ideal balance of efficiency and performance for both urban and highway use, with smooth shifting and responsive acceleration.

Comfort and Multimedia:

The cabin includes a **convenience navigation system, smartphone interface** compatibility (Apple CarPlay & Android Auto), and digital radio functionality. The infotainment is displayed via Audi's intuitive touchscreen, while dual-zone climate control and comfort-oriented seating enhance the ride quality.

Interior and Seats:

Inside, the A1 Advanced trim offers a refined and modern atmosphere with high-quality upholstery and Audi's clean, minimalist dashboard design. The 2-tone interior theme enhances contrast and visual appeal. The rear seats fold flat to expand cargo space when needed, making this hatchback both stylish and practical.

Exterior:

Finished in **Glacier White Metallic** with a contrasting **Mythos Black Metallic roof**, this model features Audi's **Advanced line** styling elements, including a bold front grille, sculpted bumpers, and LED daytime running lights. The compact 5-door hatchback design combines sporty lines with everyday usability.
