

# Audi A5 sportback , 2021

## Audi A5 40 TDI S-Line Sportback - 04/2021

### Exterior

This **Audi A5 Sportback** is finished in a sleek and dynamic design, combining the practicality of a 5-door fastback with the elegance of a premium coupe. The **S-Line package** adds sportier bumpers, side skirts, and detailing, enhancing its bold and athletic presence. Distinctive LED headlights and Audi's iconic Singleframe grille give the car a modern and commanding appearance.

### Performance and Driving Dynamics

Powered by a **2.0-liter TDI diesel engine** delivering around **204 hp** and **400 Nm of torque**, the A5 40 TDI combines efficiency with strong performance. Paired with an automatic transmission and **quattro all-wheel drive**, it provides excellent traction, smooth power delivery, and a confident driving feel. The Sportback body style, with its low stance and tuned suspension, ensures precise handling and long-distance comfort.

### Interior and Comfort

Inside, the A5 S-Line features a premium, driver-focused cabin with **leather sport seats**, **multi-zone climate control**, and **digital cockpit displays**. The Sportback layout offers ample rear space and practicality while maintaining a coupe-like silhouette. The combination of high-quality materials and ergonomic design creates a modern and luxurious atmosphere.

### Technology and Safety

The A5 40 TDI is equipped with Audi's advanced driver-assist systems, including **adaptive cruise control**, **lane-keeping assist**, **Pre-Sense collision mitigation**, and a **360° camera system**. The infotainment system supports seamless connectivity, while a premium sound system and ambient lighting elevate the overall driving experience.
