Driving Performance

The Continental GT V8 Azure is powered by a 4000cc gasoline engine paired with an 8-speed automatic transmission with MT mode. The 4WD system ensures stable handling, while electronic stability control and Hill Descent Control provide confidence across varied driving conditions.

Interior and Equipment

The cabin accommodates four passengers with premium materials and Azure specification detailing. Comfort features include climate control, advanced infotainment, and supportive seating for long-distance driving.

Technologies and Assistants

Key systems include Adaptive Cruise Control, Lane Keep Assist, collision mitigation braking, blind spot monitoring, parking assist, and a full camera suite. These technologies enhance safety and driver support.

Exterior

The exterior in Arctica is complemented by Blackline Spec styling, carbon Styling Spec details, LED lighting, and genuine 22-inch alloy wheels. The coupe silhouette emphasizes Bentley's signature design language.
