

Bentley Flying Spur , 2023

Bentley Flying Spur 2023

Safety Equipment: The Bentley Flying Spur is equipped with **front and rear curtain airbags, driver and front passenger airbags, front thorax airbags, and a knee airbag for the driver.** The **Bentley GPS advanced tracking system, ultrasonic alarm, and immobilizer** enhance security. Safety features include **pedestrian warning, exit warning, front passenger airbag deactivation, and a first aid kit with a warning triangle.** **Hydraulic Brake Assist (HBA), traction control, electronic stability control (ESP), and Motor Slip Regulation (MSR) for engine drag torque control** ensure smooth and safe driving.

Comfort Equipment: The **multi-zone automatic climate control system with an air ionizer and fresh air intake** provides premium comfort. The **14-way electrically adjustable front seats with memory and lumbar control** enhance seating convenience. The **heated steering wheel, power-latching doors for easy entry, rear electric windows, and electric rear window sunblinds** contribute to an effortless driving experience. **The hands-free boot opening** adds practicality.

Interior: The **Azure-trimmed cabin features premium Full Hide leather upholstery with contrast stitching and indented hide-trimmed steering wheel**. The **Grand Black wood veneer with a Dark Stained Burr Walnut overlay and chrome pinstripe accents** elevate the luxurious ambiance. The interior also includes **mood lighting, footwell illumination, and illuminated center console storage.** **Veneered picnic tables, a rear center armrest with cupholders and storage, and an embroidered Azure emblem on the seats** add to the exclusivity.

Exterior: The Bentley Flying Spur has an elegant **Cambrian Grey exterior** with **Azure badges on the fenders, an illuminated Flying B radiator mascot in black gloss, and the Blackline Specification package.** The **panoramic glass tilt-and-slide sunroof with twin blinds and vanity mirrors** enhances the premium feel. Other exterior elements include **21-inch alloy wheels, an illuminated grille, LED welcome lamps, and the Bentley 'jewel' fuel filler cap.**

Performance: The **Flying Spur features speed-sensitive power steering, a continuous damping control system, and adaptive brake lights.** The **standard braking system with red-painted calipers** ensures excellent stopping power. The **anti-roll bars at the front and rear** improve handling stability.

Technology and Multimedia: The vehicle comes with the **Bentley Rotating Display, a high-end Naim for Bentley audio system, and a Bentley Rear Entertainment system. Apple CarPlay, Bluetooth connectivity, and a Wi-Fi hotspot** provide seamless digital integration. Additional features include **an inductive phone charger and a 4G LTE telephone module.**

Driver Assistance Systems: The Flying Spur is equipped with **adaptive cruise control, blind-spot assist, front and rear park distance control, and electronic tire pressure monitoring.** Additional systems include **lane assist, rear cross-traffic alert, a top-view camera, night vision, traffic assist, and traffic sign recognition.**

Lighting: The **Full LED Matrix headlamps with high-beam assist, adaptive headlights, LED daytime running lights, and front fog lights** ensure optimal visibility.
