BMW X2 xDrive 20i M Sport 4WD - 09/2024

General Overview

The BMW X2 xDrive 20i M Sport is a compact premium crossover that blends sporty design with versatile practicality. In the elegant **Storm Bay Metallic** finish, it delivers a modern, dynamic look perfectly suited for urban and highway driving.

Performance and Driving Dynamics

Equipped with a **2.0-liter petrol turbo engine producing 192 horsepower**, this model combines efficiency with engaging performance. The **xDrive 4WD system** ensures excellent traction and stability across various road conditions, while the **automatic transmission** provides smooth and responsive gear changes.

Interior and Comfort

Inside, the cabin offers a refined driving experience with **ambient lighting** that enhances the premium atmosphere. The **power liftgate** makes loading and unloading easier, while Apple CarPlay and Android Auto connectivity bring seamless smartphone integration. A **head-up display** keeps essential driving information directly in the driver's line of sight.

Technology and Safety

This X2 is equipped with advanced technology and safety features, including **active cruise control**, a **surround-view camera**, and **PDC parking sensors**, which make both long-distance driving and city maneuvering effortless. Standard BMW safety systems, such as ABS, multiple airbags, collision mitigation braking, and lane-keep assist, provide peace of mind.

Exterior Design

The **M Sport package** highlights the vehicle's athletic styling, complemented by distinctive **19-inch alloy wheels**. LED headlights and the bold coupe-like silhouette emphasize its sporty yet premium character.
