Additional amenities include dual-zone automatic climate control, heated front seats, a power tailgate, and keyless entry for everyday convenience.

### Safety and Assistance Systems:

The vehicle is equipped with BMW's latest driver assistance features, such as adaptive cruise control (ACC), lane departure warning, front collision warning with automatic braking, rearview camera, and parking sensors. These systems support safe and confident driving, both in the city and on the highway.

### Exterior Design:

The M Sport X styling package includes larger air intakes, black accents, sportier bumpers, and 19- or 20-inch alloy wheels (depending on spec).
