

# BMW X4 , 2024

## BMW X4 xDrive 20d M Sport - 06/2024

### Safety and Assistance Systems:

This sleek and sporty diesel SUV is equipped with key safety features including anti-lock braking system (ABS), multiple airbags, power steering (PS), and a full-time xDrive all-wheel drive system, ensuring confident and controlled handling in all road conditions. Navigation assistance and a rear-view monitor add further convenience and security.

### Comfort and Multimedia:

The X4 includes wide-zone automatic climate control (WAC), power windows (PW), TV functionality, and a built-in navigation system for a connected and comfortable drive. The vehicle also comes with a factory sound upgrade and 20-inch alloy wheels, enhancing both driving experience and style.

### Interior and Seats:

The cabin features premium leather upholstery and a driver-focused ergonomic layout. It offers generous space and comfort for long drives or city commutes. A user manual and warranty documentation are included, reflecting the car's careful maintenance history.

### Exterior:

Finished in elegant black, the X4 carries the signature coupe-like roofline and M Sport trim detailing. The muscular stance is complemented by large 20-inch alloy wheels (AW), while the **2.0-liter** diesel engine delivers responsive performance and excellent fuel economy.
