

BMW M5 , 2022

BMW M5 Competition 4.4 4WD - 06/2022

General Overview:

The 2022 BMW M5 Competition, presented in a bold and sporty red finish, is a high-performance executive sedan that seamlessly blends aggressive power with refined luxury. As part of BMW's elite M division, the M5 Competition stands out with its athletic styling, track-inspired engineering, and everyday usability. Its muscular lines, blacked-out trim details, and signature M design cues emphasize both prestige and performance.

Performance and Handling:

Under the hood lies a **4.4-liter twin-turbocharged V8 engine** producing an impressive **625 horsepower** and **750 Nm of torque**. The engine is paired with an 8-speed M Steptronic automatic transmission and BMW's advanced **M xDrive all-wheel-drive system**, which includes a switchable rear-wheel-drive mode for a purer driving experience. This setup launches the M5 from 0 to 100 km/h in just **3.3 seconds**, offering exceptional responsiveness and agility enhanced by M Adaptive Suspension and the Active M Differential.

Interior and Features:

Inside, the cabin is finished with premium materials, including Merino leather upholstery and carbon fiber trim. M multifunction sport seats provide superb support, while the digital cockpit includes a 12.3-inch instrument cluster and a central display with BMW iDrive 7.0, navigation, **Apple CarPlay**, **Android Auto**, and gesture control. Ambient lighting, a Harman Kardon premium sound system, and dual-zone climate control create a luxurious and connected driving environment.

Safety and Driver Assistance:

Equipped with an extensive suite of driver-assistance systems, the M5 Competition includes adaptive cruise control, lane departure warning, blind spot monitoring, front and rear parking sensors, and a 360-degree camera system. These features ensure both safety and convenience whether you're navigating tight city streets or cruising at high speed.

Exterior Design:

The aggressive stance of the M5 is enhanced by its red paintwork, black M-specific kidney grille, quad exhaust tips, sculpted bumpers, and **20-inch M light-alloy wheels**. Aerodynamic enhancements and performance styling details mark this

vehicle as a true high-performance flagship sedan within the BMW lineup.
