

BMW X7 , 2023

BMW X7 xDrive40d Excellence Diesel Turbo 4WD - 05/2023

Exterior:

The 2025 BMW X7 xDrive40d in the Excellence trim presents a luxurious and commanding SUV design. It features a prominent chrome-trimmed vertical kidney grille, sleek adaptive LED headlights, satin aluminum accents, and 21-inch alloy wheels. The elongated body and sculpted surfaces reinforce its premium identity, while the split tailgate ensures convenient access to the spacious luggage area.

Performance and Efficiency:

This model is powered by a **3.0-liter inline-six twin-turbocharged diesel engine** with the support of a **48V mild-hybrid system**, producing **340 horsepower (250 kW)** and **700 Nm** of torque. The mild-hybrid technology enhances acceleration and fuel efficiency by providing electrical assistance and smoothing start/stop transitions. Power is delivered via an 8-speed Steptronic automatic transmission and BMW's intelligent xDrive all-wheel-drive system. Acceleration from 0 to 100 km/h takes approximately **5.9 seconds**, with combined fuel consumption rated between **7.9 and 8.4 L/100 km**.

Interior and Features:

The X7 xDrive40d Excellence is configured as a **7-seater**, offering generous space and comfort for all passengers. The interior features extended Merino leather upholstery, fine wood trim, ambient interior lighting, and a panoramic glass sunroof. The BMW Curved Display merges a 12.3-inch digital instrument cluster with a 14.9-inch touchscreen running iDrive 8.5. Additional amenities include four-zone automatic climate control, heated and ventilated front seats, and a high-fidelity Harman Kardon surround sound system.

Technology and Safety:

This model is equipped with a full suite of driver assistance systems: adaptive cruise control, lane keeping assist, blind spot monitoring, forward collision warning with automatic emergency braking, a 360-degree camera system, and automatic parking assistance. The mild-hybrid system improves energy efficiency and driving refinement. Infotainment features include wireless Apple CarPlay and Android Auto, navigation with augmented reality, and over-the-air (OTA) software updates.
