BMW X4 M40i - 09/2024

Safety and Assistance Systems:

The X4 M40i is equipped with advanced safety features, including an anti-lock braking system (ABS), multiple airbags, and power steering (PS). The xDrive all-wheel-drive system ensures optimal traction and stability across various driving conditions. Additional safety technologies include adaptive cruise control, lane departure warning, and a 360-degree camera system for enhanced situational awareness.

Comfort and Multimedia:

Inside, the vehicle offers automatic climate control (WAC), power windows (PW), and a premium sound system. The infotainment system includes TV functionality and a navigation system, providing entertainment and convenience on the go. The cabin is designed with high-quality materials, offering a luxurious driving experience.

Interior and Seats:

The interior features premium leather upholstery, providing both comfort and elegance. The ergonomic design ensures a driver-focused layout, with ample space for passengers. Additional amenities include heated and ventilated seats, a panoramic sunroof, and ambient lighting to enhance the driving experience.

Exterior:

Finished in a sleek black color, the X4 M40i boasts a dynamic coupe-like silhouette. The vehicle is equipped with 20-inch alloy wheels (AW), adaptive LED headlights, and distinctive M Sport styling elements that emphasize its sporty character.

Performance:

Under the hood, the X4 M40i houses a 3.0-liter BMW M TwinPower Turbo inline 6-cylinder engine, delivering **382 horsepower** and 365 lb-ft of torque. This powertrain enables the vehicle to accelerate from 0 to 60 mph in just 4.4 seconds, offering exhilarating performance for driving enthusiasts.
