

BMW 5 series , 2024

BMW 5 Series 523d xDrive M Sport (Diesel) - 03/2024

Safety and Assistance Systems:

This next-generation 5 Series sedan with xDrive all-wheel drive is equipped with advanced safety features, including an anti-lock braking system (ABS), multiple airbags, lane change assist, adaptive cruise control (ACC), and a head-up display (HUD). A panoramic view monitor and adaptive LED headlights enhance visibility and safety during maneuvers and nighttime driving.

Comfort and Multimedia:

The vehicle includes automatic climate control (WAC), power windows (PW), a built-in navigation system, TV functionality, and a panoramic camera. The power-operated trunk adds convenience for everyday use.

Interior and Seats:

The interior is styled with M Sport trim, featuring half-leather sport seats that offer both comfort and a premium look. The cabin layout is ergonomic and well-organized, and the inclusion of a user manual and maintenance booklet reflects careful ownership and service history.

Exterior:

Finished in elegant white, this 5 Series sedan combines executive class with BMW's iconic sporty styling. Alloy wheels (AW) add a dynamic edge, while the **2.0-liter** diesel engine paired with xDrive provides confident performance and excellent fuel efficiency.
