BMW XM 4.4 25.7kWh - 2025

Overview:

The 2025 BMW XM 4.4 25.7kWh is a high-performance luxury SUV that combines cutting-edge technology, powerful performance, and a sophisticated design. With an array of added extras like **BMW Individual Full Merino Leather** in **Fiona Red-Black** and **exclusive contents**, the **BMW XM** offers an elite driving experience. Its **Brooklyn Grey Metallic** exterior, combined with features like **M Sport brakes** with **red calipers**, ensures that this vehicle stands out both in terms of design and performance.

Exterior:

The BMW XM features a striking **Brooklyn Grey Metallic** exterior that enhances its sporty yet elegant presence. It comes equipped with **22-inch M Double Spoke 922 alloy wheels** and **accent band in Toronto Red** with a **diffuser and kidney grille in black**, highlighting its performance-oriented design. The **laser-etched BMW logos** on the upper left and right of the rear window, along with the **rear design trim elements in Night Gold**, add to the visual appeal. The **M Aerodynamics Package** and **rear diffuser in black high gloss** ensure that the vehicle not only looks dynamic but performs exceptionally well on the road.

Performance and Efficiency:

This SUV is powered by the **M xDrive all-wheel-drive system**, providing remarkable stability and handling across all terrains. It features **M Sport brakes with red calipers** for superior stopping power and **M Sport differential** to improve cornering performance. The **M Adaptive Suspension Pro** offers a balanced, responsive ride, enhancing the driving experience on any surface. The **sport exhaust system** adds an exhilarating sound that complements the performance-driven nature of the vehicle.

Interior and Features:

Inside, the BMW XM offers a **BMW Individual Full Merino Leather** interior in **Fiona Red-Black**, which combines luxury and style. **M Multifunctional seats** for the driver and front passenger ensure comfort, while **heated front seats** provide added convenience. The interior is further enhanced with **carbon fibre M Signature trim**, **ambient lighting**, and a **Harman Kardon surround sound system** for an immersive experience. For added convenience, it features **wireless charging**, **power sockets**, and a **storage tray in the center console**.

Technology and Connectivity:

The **BMW XM** comes with advanced technologies like **BMW ConnectedDrive Online Services**, **BMW Live Cockpit Professional**, and **BMW Gesture Control** for a seamless user experience. The **BMW ID** system personalizes the driving experience, and the **Personal eSim** keeps the vehicle connected to your digital world. Features like **adaptive cruise control**, **Parking Assistant Plus**, and **lane-keeping assist** ensure that each journey is both safe and convenient.

Safety and Driver Assistance:

The **BMW XM** is equipped with a suite of advanced safety features including **Active Protection**, **Blind Spot Detection**, **PDC - Park Distance Control** with sensors at the front and rear, and **Parking Assistant Plus** for easier parking. The vehicle also includes a **high-beam assistant**, **soft-close function for doors**, and **speed limiter** for enhanced safety on the road.
