Overview:

The **BMW X3 20d xDrive M Sport** delivers a balanced blend of **athletic performance, premium craftsmanship**, and **everyday usability**. %READMORE% As a **certified pre-owned demo vehicle**, it has been maintained to the **highest BMW standards** and presents as an excellent opportunity to experience the refinement of the **M Sport line**. Finished in **Fire Red Metallic** with a luxurious **Mocha leather interior**, this X3 combines bold visual character with **diesel efficiency** and **intelligent all-wheel drive capability**.

Performance and Handling:

The X3's **turbocharged diesel engine** provides smooth, responsive power supported by **BMW's xDrive system** for confident traction across varying road conditions. **Power steering** and **ABS** work together to deliver secure, precise handling. **Adaptive cruise control** enhances comfort on longer journeys, while **lane keep assist** offers steady directional support. **Collision mitigation braking** increases safety in unpredictable traffic, and **obstacle detection** helps navigate tight environments. **Full airbag coverage** contributes to occupant protection, with **anti-skid technology** further improving stability. **Automatic high beams** adjust visibility

automatically, and **front, side, and rear camera systems**—supported by **blind-spot and rear traffic monitoring**—enhance situational awareness whether reversing, parking, or changing lanes. The inclusion of **hill descent control** further strengthens capability for more challenging driving environments, emphasizing the X3's versatility.

Interior and Features:

Inside, the X3's **Mocha leather interior** provides a refined, comfortable atmosphere, elevated by **M Sport detailing**. **Keyless entry** and a **smart key system** simplify vehicle access, while **power windows** and **electric seats** increase everyday convenience. **Heated seats** ensure comfort in colder conditions, while **air conditioners** and **coolers** maintain a well-balanced cabin climate. **Display Audio** with **Apple CarPlay** and **Android Auto** offers intuitive connectivity, and the music player connection enhances entertainment options. **HDD navigation** ensures accurate route planning, and **ETC functionality** supports smooth travel. As a certified demo vehicle, the interior presents in **excellent condition**, reflecting careful usage and high manufacturer standards.

Technology and Driver Assistance:

The BMW X3 integrates a broad range of intelligent systems to support the driver. **Adaptive cruise control** and **lane keep assist** refine highway travel, while **collision mitigation braking** and **obstacle sensors** provide timely protection in unexpected situations. The **full camera system**—covering front, side, rear, and the all-around field—helps with maneuvering in urban environments, while **blind-spot and rear-traffic monitoring** improve safety during lane changes and reversing. **Anti-theft protection** ensures peace of mind, and **idling stop functionality** contributes to improved efficiency in stop-and-go traffic. These technologies unify to create a **secure, sophisticated driving experience**.

Exterior Design:

The **Fire Red Metallic** finish gives the X3 a bold, confident presence, sharpened by **M Sport styling cues**. **Adaptive LED headlights** deliver crisp illumination and a distinctive nighttime signature. **Aluminum wheels** contribute both visual appeal and athletic performance characteristics, while **roof rails** add practicality for travel or outdoor equipment. The **sunroof/glass roof** expands cabin brightness and enhances

the interior's premium ambiance, completing a **dynamic yet refined exterior presentation.**
