## BMW X2 sDrive18i M Sport X DCT - 08/2021

### General Overview:

The 2021 BMW X2 sDrive18i M Sport X, finished in vibrant Sunset Orange, is a stylish and sporty compact crossover that brings coupe-inspired design to the premium SUV segment. The M Sport X trim blends athletic aesthetics with everyday practicality, offering a bold exterior, dynamic handling, and modern technology—all in a compact and efficient package.

### Performance and Handling:

Under the hood, the X2 sDrive18i is powered by a **1.5-liter 3-cylinder turbocharged petrol engine** delivering **140 horsepower** and **220 Nm** of torque. Paired with a smooth 7-speed dual-clutch transmission (DCT) and front-wheel drive layout, it delivers agile and responsive performance ideal for both city commuting and weekend escapes. BMW's dynamic chassis setup, combined with M Sport suspension, provides a sporty and controlled driving experience.

### Interior and Features:

Inside, the X2 M Sport X features a sporty yet premium interior highlighted by M-branded detailing, high-quality materials, and ergonomic design. The cabin includes heated front seats, a leather-wrapped multifunction steering wheel, dual-zone automatic climate control, and ambient lighting. The infotainment system integrates a digital terrestrial tuner, Apple CarPlay, Bluetooth, and navigation via the iDrive controller and display screen, providing seamless access to entertainment and driving information.

### Safety and Driver Assistance:

This model includes key driver assistance features such as **adaptive cruise control (ACC)**, front and rear parking sensors, lane departure warning, and a rearview camera. These technologies enhance both safety and convenience, particularly in dense traffic and tight urban spaces.

### Exterior Design:

The X2 stands out with its coupe-like silhouette, bold kidney grille, high-gloss black accents, and distinctive M Sport X body styling elements. The Sunset Orange finish adds vibrant character, while aerodynamic enhancements and striking alloy wheels complete the athletic profile. LED headlights and fog lights not only improve visibility but also add a modern, assertive look.
