BMW 7 Series 745e M Sport Plug-in Hybrid - 06/2021

General Overview

The **BMW 745e M Sport** is a refined plug-in hybrid luxury sedan that perfectly blends performance, technology, and elegance. Finished in **Mineral-Weiss Metallic** with a **Saddle Black Nappa leather interior**, it offers a timeless combination of style and sophistication. With only **42,000 km** and a **full BMW service history**, this vehicle remains under **free service and repair coverage until 06/2026 or 60,000 km**.

Performance and Efficiency

Powered by a **3.0-liter six-cylinder petrol engine** paired with an electric motor, the 745e delivers **400 horsepower** and smooth, effortless acceleration. The plug-in hybrid system provides silent electric driving and excellent fuel economy, while the **sport automatic gearbox** and **Integral Active Steering** ensure dynamic handling. Despite its power, it maintains an ultra-low **road tax of just €23 per year**, reflecting its efficiency and low emissions.

Interior and Comfort

The cabin offers true first-class comfort, featuring **climate-controlled seats, a glass panoramic roof, Harman/Kardon audio**, and **ambient lighting**. Details like **Soft-Close doors, four-zone climate control**, and **high-gloss wood trim** enhance refinement, while the **Head-Up Display, Gesture Control**, and **Live Cockpit Professional** bring advanced connectivity and convenience.

Technology and Safety

Equipped with **Driving Assistant Professional, Parking Assistance Plus**, and **BMW Laserlight headlights**, the 745e provides exceptional safety and driver support. Features like **Adaptive Cruise Control, 360° cameras**, and **ConnectedDrive services** ensure effortless driving in all conditions. Combining power, comfort, and efficiency, the **BMW 745e M Sport** represents the essence of modern executive mobility.
