## BMW i4 M50 - 07/2024

### General Overview

The **BMW i4 M50** is the flagship high-performance **electric Gran Coupe**, combining **exhilarating driving dynamics** with **state-of-the-art technology**. Finished in a sleek finish, it embodies the perfect blend of **luxury**, **sportiness**, and **sustainability**. As a true **M model**, the i4 M50 offers exceptional **power**, **agility**, and a driving experience that rivals traditional performance cars.

### Performance and Driving Dynamics

Powered by **dual electric motors** producing an impressive **544 horsepower**, the BMW i4 M50 delivers **rapid acceleration** and a **top speed** that commands respect. The **electric all-wheel drive** system enhances **handling**, **traction**, and **cornering stability**, ensuring an **exciting and confident ride**. The sport-tuned chassis, precise steering, and adaptive suspension make each drive **agile** and **engaging**.

### Exterior Design

The exterior is enhanced with **M Sport styling elements**, including **aerodynamic body kit**, **low stance**, **aluminum wheels**, and **sporty accents**. The bold design not only emphasizes its performance capabilities but also provides a striking visual presence on the road.

### Interior and Comfort

Inside, the **genuine leather seats** are **electric-adjustable** with **heating** and **integrated controls** for maximum comfort. The interior features a **full digital display**, **driver assistance systems**, **power windows**, and **rear seat monitors** for a modern, connected experience. The cabin's layout combines **luxury materials** with **advanced technology** for an immersive driving environment.

### Technology and Safety

The BMW i4 M50 is equipped with **adaptive LED headlights**, **surround camera systems**, **blind-spot monitoring**, and **driver assistance features** to enhance safety. The multimedia system supports **Apple CarPlay**, with a **premium audio system** providing exceptional sound quality. These features ensure that both **performance** and **safety** are never compromised during your journeys.
