Overview

The BMW X3 xDrive M50 11/2024 delivers sporty performance, advanced hybrid efficiency, and premium SUV versatility in one dynamic package. %READMORE% Finished in elegant Dune Gray Metallic, this high-performance X3 combines BMW's M-inspired driving dynamics with intelligent xDrive all-wheel drive for confident control in all conditions.

Performance and Driving Dynamics

Powered by a 3.0-liter hybrid powertrain, the X3 M50 offers strong acceleration and smooth power delivery. The 8-speed automatic transmission ensures responsive shifts, while BMW's xDrive system enhances traction and cornering stability. The balanced chassis tuning provides a sporty yet comfortable ride, ideal for both city driving and highway cruising.

Interior Comfort and Technology

Inside, the cabin features genuine leather seats with heating and electric adjustment, creating a refined and comfortable environment. The advanced infotainment system includes navigation with memory function, Apple CarPlay and Android Auto integration, Full-seg TV, and seamless smartphone connectivity for modern convenience.

Safety and Assistance Systems

Equipped with adaptive cruise control, Lane Keep Assist, collision mitigation braking, blind spot monitoring, parking assist, and multi-angle camera systems, the X3 ensures high levels of safety and driver confidence. Adaptive LED headlights and automatic high beam improve visibility in all driving situations.

Exterior

The bold design of the BMW X3 M50 is enhanced by its Dune Gray Metallic finish, sporty aluminum wheels, roof rails, and panoramic sunroof. The aggressive front fascia and signature BMW styling elements emphasize its dynamic character and premium SUV presence.
