

Daihatsu Rocky , 2022

Daihatsu Rocky Premium G HEV - 02/2022

Exterior

This **Daihatsu Rocky Premium G HEV** stands out with its striking **dual-tone Black Metallic and Crimson Red finish**, giving the compact SUV a bold and premium look. The sharp lines, wide stance, and modern LED headlights emphasize its sporty crossover character, while the five-door body provides both practicality and style.

Performance and Driving Dynamics

Equipped with a **1.2-liter hybrid petrol engine** paired with an automatic transmission and front-wheel drive, the Rocky Premium G HEV produces around **105 horsepower**. The hybrid system delivers smooth and efficient performance, ensuring responsive acceleration, strong fuel economy, and a refined driving feel. It is well-suited for everyday urban use while maintaining comfort and stability on highways.

Interior and Comfort

The interior is designed to seat **five passengers** with comfort, offering a spacious and modern cabin atmosphere. High-quality materials, thoughtful ergonomics, and a well-organized dashboard create a refined and functional environment. The elevated seating position improves visibility and adds to the sense of control.

Technology and Safety

The Rocky Premium G HEV is equipped with advanced driver-assistance features, including **adaptive cruise control, collision mitigation braking, lane departure prevention, blind-spot monitoring**, and a **360° around-view camera** system. A modern infotainment system with smartphone integration provides seamless connectivity, ensuring both convenience and safety for every journey.
