

Daihatsu Rocky , 2022

Daihatsu Rocky X HEV - 08/2022

Exterior

This Daihatsu Rocky X HEV is finished in **Shining White Pearl**, emphasizing its clean and modern SUV styling. With sharp lines, bold proportions, and a practical 5-door crossover body, it offers a balance of functionality and stylish presence on the road.

Performance and Driving Dynamics

The Rocky X HEV is powered by a **1.2-liter hybrid petrol engine** paired with an **automatic transmission (AT)** and **front-wheel drive (FWD)**. The hybrid system delivers a combined output of around **105 hp**, ensuring excellent fuel efficiency, smooth acceleration, and quiet operation. This makes it an ideal choice for both city commuting and longer journeys with reduced fuel consumption.

Interior and Comfort

Inside, the cabin provides seating for **5 passengers**, designed for practicality and comfort. Features include **automatic climate control**, smart key with push-start, and ergonomic seating for daily convenience. The elevated driving position enhances road visibility, while thoughtful interior design makes the cabin feel spacious and user-friendly.

Technology and Safety

The Rocky X HEV comes with a suite of modern driver-assistance and safety features. These include **Adaptive Cruise Control (ACC)**, **collision mitigation system**, **lane keep assist**, **blind-spot monitoring**, and a **360° camera system**. Entertainment and convenience are further enhanced with **Bluetooth connectivity**, **DVD playback**, and multiple airbags, ensuring both safety and comfort.
