DS 4 Performance Line E-Tense - 11/2024

Overview:

A premium plug-in hybrid hatchback that blends French elegance, cutting-edge technology, and efficiency. Manufactured in November 2024, this DS 4 E-Tense features the advanced **1.6L petrol engine** paired with an electric motor, delivering a combined output of around **225 hp**. It offers refined comfort, exceptional build quality, and innovative driver-assistance systems, making it perfect for both city and long-distance driving.

Performance & Hybrid Efficiency:

The **1.6L turbocharged petrol engine** works seamlessly with the **plug-in hybrid system**, ensuring strong acceleration while maintaining outstanding fuel economy. The 8-speed automatic transmission and **front-wheel drive (2WD)** layout provide smooth handling and responsive performance.

Interior & Features:

Luxuriously appointed with **premium Nappa leather seats** offering memory and heating functions, power seat adjustments, and exquisite stitching. Includes a panoramic camera system, front and side cameras, premium audio, navigation, and multi-zone climate control for maximum comfort.

Safety & Driver Assistance:

Comes with **ESC**, multiple airbags, ABS, collision mitigation system, lane-keeping assist, adaptive cruise control, blind-spot monitoring, parking sensors, and a 360° camera system. Additional features include automatic high beam, emergency braking assist, and advanced body stability controls.
