

Ferrari Purosangue , 2024

Ferrari Purosangue 2024

Safety Equipment: The Ferrari Purosangue is equipped with **two dual-stage front airbags and side airbags for maximum safety**. It includes **ABS EVO (Anti-Lock Braking System)**, **ISOFIX anchor points for rear seats**, and **an advanced anti-theft system with a transponder key and remote control for opening doors and the tailgate**. The **stolen vehicle recovery system** enhances security, while **PCV 3.0 with independent rear-wheel steering** improves stability and maneuverability. **Traction Control F1 with SSC (Side Slip Control) integration** ensures optimal grip and handling in all driving conditions.

Comfort Equipment: The **four-zone air conditioning system** ensures personalized climate control for all passengers. **Full electric seats** provide superior comfort, and the **keyless engine start system** enhances convenience. The **rain and light sensors** automatically adjust wipers and headlights for changing weather conditions.

Interior: The Purosangue's interior is designed for luxury and performance, featuring **premium materials and intuitive controls**. The **10.2-inch passenger display** provides additional information and entertainment options, while **the high-end audio system** delivers an immersive sound experience.

Exterior: This Purosangue is finished in a **bold red exterior color**, paired with **22-23-inch chrome-painted alloy wheels** for a striking look. **Electrochromic heated side mirrors with automatic closure** ensure visibility and convenience, while **electric front windows and a tire repair kit** add practicality.

Performance: The Purosangue is equipped with **CCM4 carbon-ceramic brakes** for exceptional stopping power, along with **EPS (Dynamic Electronic Power Steering)** for precision control. The **Ferrari Active Suspension System** enhances comfort and handling, adapting to various driving conditions.

Technology and Multimedia: This model includes **a state-of-the-art infotainment system with Ferrari's latest HMI interface, Bluetooth audio streaming, and a USB port on the central tunnel**. The **smartphone interface and wireless charger** provide seamless connectivity.

Driver Assistance Systems: The Purosangue features **adaptive cruise control with automatic emergency braking, lane departure warning, lane-keeping assist, and blind spot detection** for added safety. **Front and rear parking**

sensors, a rear parking camera, surround-view system, and a tire pressure and temperature monitoring system (TPTMS) ensure an easier and safer driving experience.

Lighting: The **Full Matrix-LED headlights with adaptive front lighting** provide superior visibility and intelligent lighting control.
