

Genesis GV60 , 2023

Genesis GV60

Safety and Driver Assistance Systems: The vehicle is equipped with an advanced safety suite, including Anti-Lock Braking System (ABS), Electronic Stability Control (ESC), Dynamic Brake Control (DBC), Hill Start Assist Control (HAC), Trailer Stability Assist (TSA), and Multi-Collision Brake (MCB). Additional safety features include Highway Drive Assist (HDA), Lane Following Assist (LFA), Lane Keeping Assist (LKA), Blind-Spot Collision-Avoidance Assist (BCA), and Forward Collision-Avoidance Assist (FCA) with pedestrian and cyclist detection. The car also includes rear parking sensors, a rearview camera with dynamic guidelines, an immobilizer, and a smart key with push-button start.

Comfort and Interior: The cabin is designed for premium comfort, featuring Obsidian Black leatherette upholstery, a leather steering wheel, and a leatherette dashboard. The Comfort Seat Pack includes ventilated and heated seats, premium relaxation seats, ergonomic motion seats, electric lumbar support, memory function, and an electric cushion extension. The rear luggage area is covered, and an electric tailgate provides height-adjustable access. The 12.3-inch TFT LCD integrated display provides essential driving information, while the fingerprint reader authentication system enhances security and personalization.

Exterior: The Genesis GV60 comes in a striking white exterior with 19-inch alloy wheels and silver brake calipers. The aerodynamic design includes flush door handles, a high-mounted rear spoiler, and laminated front side windows for noise reduction. Additional features include an acoustic windshield film, a trailer package, and summer tires for enhanced performance.

Performance: Equipped with a battery heating system for optimal efficiency in colder climates, Intelligent Speed Limit Assist (ISLA), Manual Speed Limit Assist (MSLA), and an electronically controlled power steering system, the GV60 ensures a smooth and responsive drive.

Technology and Multimedia: The vehicle includes a 12.3-inch navigation screen with Digital Audio Broadcasting (DAB+) and a Traffic Management System, a wireless phone charger, USB charging ports for front and rear passengers, and a premium audio system with multiple speakers, including tweeters and an external amplifier.

Lighting: The GV60 is equipped with LED dual front headlamps, LED daytime running lights (DRL), LED rear combination lamps, LED rear fog lamps, an LED high-mounted stop lamp, and puddle lamps with the Genesis logo for added sophistication.
