

Honda WR-V , 2025

Honda WR-V 1.5 X - 01/2025 BRAND NEW

Safety and Assistance Systems:

The 2025 Honda WR-V 1.5 X comes well-equipped with essential safety systems for daily confidence on the road. It features anti-lock braking system (ABS), electronic brakeforce distribution (EBD), vehicle stability assist (VSA), hill-start assist, and emergency stop signal. Front, side, and curtain airbags provide comprehensive occupant protection, while ISOFIX child seat anchors ensure safe installation for younger passengers. Rear parking sensors and speed-sensing door locks further support the driver in tight urban conditions.

Performance and Handling:

Under the hood, the WR-V is powered by a **1.5-liter 4-cylinder petrol engine** producing **118 horsepower** and 145 Nm of torque. Paired with a CVT (Continuously Variable Transmission), the engine delivers smooth, fuel-efficient performance suitable for both city traffic and highway cruising. The front-wheel-drive setup, along with a generous 207 mm ground clearance, gives this compact SUV the versatility needed for mixed driving environments.

Comfort and Multimedia:

Inside, the WR-V offers a functional and comfortable cabin equipped with a 7-inch touchscreen infotainment system, full smartphone integration via Apple CarPlay and Android Auto, Bluetooth, and USB connectivity. Additional features like automatic climate control, push-button start, a multi-function steering wheel, and a height-adjustable driver's seat ensure ease of use and driving comfort on every journey.

Interior and Seats:

The cabin features durable fabric upholstery, supportive seating, and a clean layout focused on practicality. Rear seats fold in a 60:40 split, allowing the expansion of the 380-liter boot space when needed. Ample legroom and headroom in the second row make this crossover ideal for both short commutes and longer family trips.

Exterior:

Finished in a refined **Platinum White Pearl**, the WR-V 1.5 X blends urban elegance with sporty styling. At the front, it features Honda's signature grille and sleek LED headlights with integrated daytime running lights. Roof rails and LED taillights enhance the SUV character, while 16-inch alloy wheels complete the bold and functional design.
