## Honda CR-V 2.0 e:HEV EX Hybrid 4WD - 01/2022

### General Overview

The **Honda CR-V 2.0 e:HEV EX** is a stylish and efficient hybrid SUV that blends premium comfort, practicality, and advanced technology. Finished in **Premium Crystal Red Metallic**, this 2022 model offers a balance of elegance and versatility, ideal for both urban use and long-distance journeys.

### Performance and Driving Dynamics

Equipped with a **2.0-liter petrol engine paired with an electric motor**, the e:HEV hybrid system delivers a **total output of 184 horsepower**. The hybrid technology ensures smooth and responsive acceleration, excellent efficiency, and quiet driving in urban conditions. The **4WD system** further enhances stability, grip, and control, making it suitable for different terrains and weather conditions.

### Interior and Comfort

Inside, the CR-V offers a **spacious and refined cabin**, featuring **genuine leather seats, power-adjustable front seats with memory function**, and a thoughtfully designed layout. The **rearview camera** and **ergonomic controls** make daily use intuitive and comfortable, while the overall design ensures convenience for both driver and passengers.

### Technology and Safety

This model comes with the advanced **Honda SENSING suite**, which includes **adaptive cruise control, lane keep assist, and collision mitigation braking** for enhanced safety. A **Full-Seg navigation system**, smartphone connectivity, and driver assistance features like **blind spot monitoring** ensure both comfort and confidence on every journey.

### Exterior

The **Premium Crystal Red Metallic exterior** highlights the SUV's dynamic and modern design. Distinctive **LED headlights, front fog lamps**, and stylish **18-inch alloy wheels** emphasize its premium look, while maintaining practicality and durability as a family SUV.
