

Honda Insight , 2021

Honda Insight 1.5 EX Hybrid - 03/2021

General Overview:

A stylish and efficient hybrid sedan finished in **Cosmic Blue Metallic**, this Honda Insight EX offers an ideal balance of economy, comfort, and modern features. With just **26,430 km** on the odometer, it remains in excellent condition. Designed for everyday driving with a premium touch, it provides both environmental efficiency and a refined driving experience.

Performance & Hybrid Efficiency:

Powered by a **1.5-liter i-VTEC petrol engine paired with Honda's hybrid system**, the Insight delivers a combined output of **151 horsepower**, ensuring smooth acceleration and excellent fuel efficiency. The e-CVT automatic transmission contributes to seamless performance, while the hybrid system optimizes both power and economy.

Interior & Features:

Equipped with keyless entry, push-start ignition, multi-airbag safety system, automatic climate control, and heated seats for comfort. Entertainment and navigation are managed via an HDD navigation system with TV, DVD player, music server, and Bluetooth connectivity. The cabin offers a quiet and spacious atmosphere, highlighted by high-quality materials and thoughtful ergonomics.

Safety & Driver Assistance:

Features include Honda Sensing safety suite with collision mitigation braking, lane-keeping assist, adaptive cruise control, LED headlights, parking sensors, and multiple cameras (front, side, rear) for full visibility. Additional systems include electronic stability control and smart key access.
