Honda Vezel 1.5 Hybrid X - 02/2021

Exterior:

The **2021 Honda Vezel 1.5 Hybrid X** is a stylish compact crossover that blends sleek coupe-like lines with SUV practicality. Its design features a bold front grille, slim LED headlights, and a sculpted body profile. The Hybrid X trim includes 16- or 17-inch alloy wheels, body-colored bumpers, and subtle chrome accents, giving the car a clean, modern look that fits well in urban environments.

Performance and Efficiency:

Powered by a **1.5-liter i-VTEC petrol engine** paired with an electric motor, the Vezel Hybrid system produces a **combined output of around 132 horsepower (98 kW)** and approximately **156 Nm of torque**. The vehicle uses Honda's **SPORT HYBRID i-DCD system**, integrating a 7-speed dual-clutch automatic transmission. It delivers excellent fuel efficiency — **approximately 3.8 to 4.4 L/100 km**, depending on driving conditions, making it a strong choice for eco-conscious daily driving.

Interior and Features:

The interior offers a comfortable and functional layout with seating for **5 passengers**. The Hybrid X trim typically features keyless entry and start, automatic climate control, a multifunction steering wheel, and a touchscreen infotainment system with Bluetooth connectivity. Higher trims may include a rearview camera, heated front seats, and upgraded upholstery. The rear seats can be folded flat to expand cargo capacity, adding versatility to its compact size.

Technology and Safety:

Safety features on the Vezel Hybrid X include **Honda Sensing** (available in some versions), with lane departure warning, adaptive cruise control, and collision mitigation braking system. Standard safety includes ABS, traction control, stability assist, and multiple airbags. Some versions also offer a **rearview camera**, smart parking sensors, and hill start assist.
