Honda Vezel , 2021

Honda Vezel 1.5 Hybrid e:HEV – 06/2022

Exterior:
The **2022 Honda Vezel e:HEV** presents a sleek and modern SUV design with clean lines and a coupe-like roofline. The front fascia is distinguished by a bold horizontal grille, slim LED headlights, and integrated daytime running lights. The sculpted sides and high rear shoulder line give it a dynamic presence, while 16–18-inch alloy wheels (depending on trim) complete its contemporary look.

Performance and Efficiency:
Powered by a 1.5-liter i-VTEC petrol engine paired with Honda's intelligent dual-motor hybrid system (e:HEV), the Vezel delivers a smooth and responsive driving experience. The total system output is around **132 horsepower** and **253 Nm** of torque. The e:HEV system automatically switches between EV, hybrid, and engine drive modes for optimal efficiency. Fuel consumption is impressive, averaging around **4.5 L/100 km** (WLTC mode), depending on driving conditions and trim.

Interior and Features:
The cabin is modern and functional, offering high-quality materials and a spacious layout. It features a digital instrument cluster and a 9-inch infotainment display with support for **wireless Apple CarPlay** and **wired Android Auto**. Other features include **heated front seats**, a panoramic sunroof (on higher trims), dual-zone climate control, and a hands-free power tailgate.

Technology and Safety:
Equipped with the **Honda Sensing** suite, the Vezel includes **adaptive cruise control**, **lane keeping assist**, **blind spot monitoring**, **rear cross traffic alert**, and **autonomous emergency braking**. A **360-degree camera**, **rear view camera**, and **parking sensors** support ease of maneuvering. The e:HEV system contributes to seamless acceleration and regenerative braking, enhancing both safety and driving comfort.

Specifications:

ID: OJL-805
Final Price: 21900.00 EUR
Interior Color: White
Number of Seats: 5

Steering Side: Right
Condition: New
