

Honda CR-V , 2022

Honda CR-V 2.0 e:HEV EX Hybrid 4WD - 01/2022

General Overview

The **Honda CR-V 2.0 e:HEV EX** is a **hybrid SUV** that blends **efficiency, premium comfort, and cutting-edge technology**. Finished in elegant White, this 2022 model is tailored for families and drivers who demand both versatility and eco-friendly performance.

Performance and Driving Dynamics

Equipped with a **2.0-liter petrol engine paired with an electric motor**, the e:HEV system delivers a **combined output of 184 horsepower**. The advanced hybrid technology ensures **smooth acceleration, quiet urban driving in EV mode**, and excellent **fuel economy**. With its **4WD system**, the CR-V provides **confidence, stability, and traction** on various terrains, making it equally capable in the city and on long trips.

Interior and Comfort

Inside, the cabin offers a **premium and spacious design** with **power-adjustable seats**, a **smart key system**, and intuitive layout. Honda's ergonomic approach maximizes passenger comfort, while the versatile seating arrangement and generous storage solutions make the CR-V perfect for both **daily commuting** and **family adventures**.

Technology and Safety

Packed with the **Honda SENSING** suite, this CR-V includes **adaptive cruise control, lane-keeping assist**, and **collision mitigation braking**. Additional technologies such as a **rearview camera, blind-spot monitoring**, and an advanced **multimedia system with Display Audio (Apple CarPlay & Android Auto)** further enhance safety and connectivity.

Exterior

The CR-V stands out with its **modern SUV proportions, LED headlights**, and **19-inch aluminum alloy wheels** that give it a bold, stylish presence. Its refined yet practical design makes it equally suited for **urban life** and **outdoor journeys**.
