

# Lamborghini Urus , 2024

## Lamborghini Urus 2024

**Safety and Driver Assistance Systems:** The vehicle is equipped with the Full ADAS Package, ensuring advanced driver assistance features for enhanced safety. A Vehicle Tracking System (VTS) provides additional security and monitoring.

**Comfort and Interior:** The cabin features a **Sportivo Alcantara Bicolour interior** with **Performante trim** in Nero Cosmus-Verde Fauns, combining luxury with sportiness. Optional stitching is applied throughout, including on the **sport steering wheel**, which is wrapped in Alcantara-Leather with a **dark chrome bezel and red marker**, and comes heated. The **seat belts in Verde Fauns** and **red-painted interior door handles** add unique personalized touches. Soft-close doors ensure a seamless closing experience. The **Ambient Light Package** enhances the cabin atmosphere, while premium **floor mats with leather piping and double stitching** provide a refined finish.

**Exterior:** The car boasts a striking **green exterior** with a **bonnet in visible carbon fibre** and a **Full Exterior Carbon Fibre Package**, including **rocker covers, side mirrors, and the Lamborghini frame**. It sits on **23-inch Ad Personam Pelope alloy wheels** with **titanium bolts in a shiny black finish**, emphasizing its aggressive stance. **Green brake calipers** add a bold contrast, while **privacy glass with acoustic and double glazing** enhances comfort. The **rear Lamborghini logo in high gloss black** completes the sleek aesthetic.

**Performance:** The **Exhaust Tailpipes by Akrapovic in matte black** not only improve aesthetics but also enhance the vehicle's exhaust note for a more exhilarating drive.

**Technology and Multimedia:** The car is fitted with a **Bang & Olufsen Advanced 3D Audio System**, providing an immersive listening experience. **Rear Seat Entertainment** ensures passengers in the back stay entertained, while the **Head-Up Display (HUD)** enhances driver awareness by projecting key information onto the windshield.
