

Lamborghini Urus , 2025

Lamborghini Urus Performante 01/2025

Exterior & Wheels: Finished in **Blu Astraeus**, this Urus Performante is equipped with **23" Penope Shiny Black Alloy Wheels with Titanium Wheel Bolts** and **red-painted brake calipers**. The exterior is enhanced with **shiny carbon fibre elements**, including the **rear spoiler, bonnet air vents, wheel arches, and front bumper**. **Akrapovic Racing Exhaust** and **titanium exhaust tailpipes** amplify the aggressive performance styling. **Electrically adjustable, heated, and folding door mirrors**, along with **LED headlights and daytime running lights**, ensure optimal visibility.

Interior & Comfort: The **Sportivo Alcantara Bicolor Interior with Performante Trim** features **contrasting Rosso Alala stitching and seat belts**. The cabin is further refined with **inserts in Carbon Twill, a dashboard in Alcantara, and Lamborghini lettering on the dashboard**. **Fully electric front seats with ventilation and massage, rear heated seats, and soft-close doors** enhance luxury. The **sports steering wheel in Alcantara and leather with a dark chrome bezel and Rosso marker** offers a dynamic feel.

Technology & Safety: The **Bang & Olufsen Advanced 3D Sound System, DAB radio, and Lamborghini Smartphone Interface with Apple CarPlay and Android Auto** provide superior entertainment. The **head-up display, top view camera, and park assistance with remote control** (including **360-degree camera, automatic parallel parking, and night vision**) elevate convenience. The **full ADAS package** ensures advanced driver assistance, while the **Lamborghini Connect Security Tracking System** enhances security.

Performance & Handling: Equipped with **electromechanical power steering, ESC (Electronic Stability Control), ABS, ASR (Anti-Slip Regulation), and Electronic Traction Control** for superior handling.

Additional Features & Warranty: The car includes a **heated and heat-reflective windscreen, privacy glass with acoustic and heat insulation, floor mats with leather piping, and wiper blades with integrated nozzles**.
