Overview

The **Land Rover Discovery D350 R-Dynamic HSE 09/2024** is a refined and powerful 7-seat luxury SUV designed for both adventure and executive comfort. %READMORE% Finished in elegant Santorini Black Metallic and equipped with the R-Dynamic HSE package, this Discovery blends commanding performance, premium craftsmanship, and advanced technology for a truly versatile driving experience.

Driving Performance

Powered by a robust 3.0-liter D350 diesel turbo engine with mild hybrid assistance, the Discovery delivers strong torque, smooth acceleration, and impressive efficiency. The 8-speed automatic transmission ensures seamless gear shifts, while the advanced 4WD system and air suspension provide outstanding stability and off-road capability. Hill Descent Control and intelligent traction systems enhance confidence in challenging terrains.

Interior and Comfort

The cabin offers exceptional comfort and space for up to seven passengers. Premium Windsor leather upholstery, electric seats with memory function, and multi-seat heating create a luxurious environment. The panoramic sliding roof enhances the sense of openness, while the Head-Up Display and intuitive infotainment system keep essential information easily accessible. Ample cargo flexibility makes it ideal for family

and travel use.

Technology and Safety

Equipped with advanced driver assistance systems, the Discovery includes Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Blind Spot Monitoring, and a 360° camera system. Matrix LED headlights improve nighttime visibility, and multiple airbags ensure comprehensive protection. Smartphone integration via Apple CarPlay and Android Auto keeps you seamlessly connected.

Exterior

The R-Dynamic HSE styling emphasizes a bold and athletic presence with distinctive black accents, 22-inch black alloy wheels, and sculpted body lines. The Santorini Black Metallic finish, privacy glass, roof rails, and panoramic roof enhance both sophistication and practicality, making the Discovery equally suited for urban elegance and rugged exploration.
