Overview

The Land Rover Range Rover Velar P400e R-Dynamic SE 06/2024 is a premium plug-in hybrid SUV combining dynamic performance with refined British luxury. %READMORE% Finished in Carpathian Gray (Premium Metallic) and equipped with advanced 4WD capability, this Velar P400e for sale is available through our Cyprus car dealership.

Driving Performance

The 2.0-liter plug-in hybrid powertrain delivers responsive acceleration with improved efficiency, paired with a smooth 8-speed automatic transmission. The intelligent 4WD system and Hill Descent Control ensure confident handling on highways and off-road terrain alike. Paddle shifters enhance driver engagement, while the refined suspension guarantees comfort.

Interior and Equipment

The cabin offers premium comfort with genuine leather seats, heating and ventilation functions, and a panoramic glass roof that enhances the sense of space. Electric seat adjustment, dual-zone climate control, and the Meridian sound system create a high-end driving atmosphere.

Technologies and Assistants

Equipped with adaptive cruise control, Lane Keep Assist, collision mitigation braking, Blind Spot Monitoring, and a 360° camera system. Advanced safety systems and modern infotainment ensure both security and convenience on every journey.

Exterior

The R-Dynamic SE trim enhances the Velar's sporty character. Finished in elegant Carpathian Gray Premium Metallic, with 20-inch alloy wheels, LED headlights, and a panoramic glass roof, the Velar combines sophistication with athletic styling.
