Overview

The Land Rover Range Rover P550e Autobiography 03/2025 represents the pinnacle of modern British luxury, combining plug-in hybrid performance with uncompromising refinement and advanced technology. %READMORE% Finished in elegant Santorini Black Metallic, this Autobiography model offers exceptional comfort, innovative features, and confident all-terrain capability in a flagship SUV package.

Plug-in Hybrid Performance

Powered by a 3.0-liter plug-in hybrid system (P550e) paired with an 8-speed automatic transmission and intelligent AWD, the Range Rover delivers powerful yet smooth acceleration. The electrified drivetrain enhances efficiency while maintaining the strong performance expected from the Autobiography grade.

Interior and Luxury

The cabin reflects true flagship status, featuring premium genuine leather seats with heating and ventilation, deployable side steps for easy access, a sliding panoramic roof, and a center console rapid cooler box. Rear passengers benefit from an advanced rear entertainment system and the premium Meridian sound system ensures an immersive audio experience.

Technology and Safety

Equipped with adaptive cruise control, Lane Keep Assist, collision mitigation braking,

Blind Spot Monitoring, Parking Assist, and a 360° surround-view camera, this model provides comprehensive driver assistance. The ClearSight digital rearview mirror enhances visibility, especially in challenging conditions.

Exterior

The Santorini Black Metallic finish highlights the Range Rover's iconic, minimalist design. Adaptive LED lighting, elegant aluminum wheels, and a commanding stance emphasize its status as one of the world's most prestigious luxury SUVs.
