Lexus NX350h F Sport - 02/2024

Safety and Assistance Systems:

This stylish hybrid SUV is equipped with essential safety features such as anti-lock braking system (ABS), multiple airbags, and power steering (PS), enhancing vehicle control and driver protection. It also includes advanced driving assistance systems like navigation and rear-view support for added safety in everyday driving.

Comfort and Multimedia:

The NX350h F Sport offers premium in-car comfort with automatic air conditioning (AAC), a full multimedia system with TV functionality, and a navigation unit. Power windows (PW) and a sunroof (SR) provide convenience and an enjoyable atmosphere for all passengers.

Interior and Seats:

Inside, the cabin features sporty leather seats with F Sport detailing. The layout is ergonomic and spacious, ideal for daily use and long drives. The inclusion of a user's manual reflects the vehicle's good maintenance condition.

Exterior:

Finished in an elegant Pearl White (Color No. 083), the exterior presents a bold and dynamic presence. Alloy wheels (AW) and F Sport accents enhance its sporty appeal, while the hybrid 2500cc engine ensures an efficient yet responsive performance.
