### Overview

The Lexus GX550 Version L 09/2025 is a full-size luxury SUV designed to combine premium comfort with serious off-road capability. %READMORE% Powered by a 3400cc gasoline engine and equipped with a 4WD system, it delivers confident performance while maintaining refined ride quality for daily driving.

### Driving Performance

The 10-speed automatic transmission with floor MT mode ensures smooth and responsive gear changes. The 4WD system and Hill Descent Control enhance traction and stability on various terrains, making it suitable for both highways and challenging road conditions.

### Interior and Equipment

The spacious cabin offers 7-seat capacity with three rows, finished in saddle tan semi-aniline genuine leather. Heated and ventilated seats, W-zone air conditioning, a 14-inch display audio system, and premium comfort features provide a first-class travel experience for all passengers.

### Technologies and Assistants

Equipped with adaptive cruise control, Lane Keep Assist, collision mitigation braking, blind spot monitoring, and a panoramic view monitor, the GX550 supports safe and confident driving. A digital inner mirror and front/rear dashcams further enhance

visibility and security.

## Exterior

Finished in Sonic Quartz, the GX550 presents a bold and sophisticated appearance. Adaptive LED headlights, front fog lights, a panoramic roof, roof rails, power-folding side steps, and aluminum wheels emphasize its robust yet premium character.
