

Lexus LX , 2024

Lexus LX 600 Offroad 4WD - 08/2024 NEW, 10KM MILEAGE!!!

Safety and Assistance Systems:

This luxury SUV is equipped with advanced safety features, including an anti-lock braking system (ABS), multiple airbags, and power steering (PS), ensuring stable and confident handling in various driving conditions. A panoramic view monitor and adaptive LED headlights enhance visibility and safety when maneuvering and driving at night.

Comfort and Multimedia:

The LX 600 delivers a premium driving experience with a built-in navigation system, TV functionality, and a high-end Mark Levinson sound system. Additional comfort features include automatic climate control (AAC), power windows (PW), and a hands-free power tailgate, making everyday usage smooth and convenient.

Interior and Seats:

Inside, the cabin features luxurious white leather seats designed for both comfort and durability. The spacious and ergonomic layout makes it suitable for long-distance travel and daily use. A user's manual is included, reflecting the vehicle's well-kept condition.

Exterior:

Finished in Terrain Khaki Mica Metallic, the LX 600 stands out with its bold and refined appearance. Alloy wheels (AW) highlight its sporty design, while the robust structure and powerful **3.5-liter** gasoline engine offer excellent performance and presence on and off the road.
