

Lexus LM , 2024

Lexus LM - 09/2024

Safety and Assistance Systems:

The Lexus LM is equipped with a comprehensive suite of advanced safety features through **Lexus Safety System+ 3**, which includes a **Pre-Crash Safety System (PCS)** with driver monitoring, **Blind Spot Monitor (BSM)**, **Lane Change Assist (LCA)**, **Road Sign Assist**, and **Smart Stop Braking Control**. A **Head-Up Display (HUD)** keeps vital information in the driver's line of sight, while the **Panoramic View Monitor (PVM)** provides full-surround visibility when maneuvering. **Smart Entry with Push Button Start** and a **Digital Key** enhance security and convenience.

Performance and Handling:

This luxury MPV is equipped with **Adaptive Variable Suspension (AVS)**, delivering smooth, responsive handling by adjusting damping force in real time based on road conditions and driving style. Multiple drive modes including ECO, Normal, Sport, Rear Comfort, and Custom allow the driver to tailor the driving experience to every journey.

Comfort and Multimedia:

Entertainment and convenience are top priorities with a **21-speaker Mark Levinson 3D Surround Sound Reference Audio System**, a **14-inch touchscreen Lexus Link Pro system**, and a **14-inch rear seat monitor** with HDMI input for rear passengers. Additional features include **AC inverter with 220V output** and **wireless charging for front-seat passengers**, ensuring full digital connectivity on the move.

Interior and Seats:

The cabin is wrapped in **semi-aniline black leather** (added extra), combining premium feel with exceptional durability. Rear luxury is a highlight, with **power-adjustable first-row and second-row rear seats**, **massage function for the rear first row**, **heated and ventilated front and rear seats**, and **Swede seat inserts** for added softness. A **stowable table in the center armrest**, **electric rear sunshade**, **digital rear-view mirror**, **smartphone-style operation panel**, and **electric steering column adjustment** complete the highly refined, tech-forward interior. The **2-zone climate control** with **Nanoe-x technology** ensures a clean and comfortable cabin environment.

Exterior:

Finished in **white**, the LM features **19-inch alloy wheels**, a **fixed moonroof**, and **heated, auto-folding door mirrors** with memory and integrated turn indicators. The

exterior design reflects Lexus's signature elegance and serenity, ideal for both personal and executive chauffeured use.
