Lexus RX , 2021

Lexus RX 450h Version L – 01/2021

Exterior:

The elegant **Lexus RX 450h** in the **Version L** trim stands out with Lexus' signature spindle grille, sharp LED headlights, chrome accents, and stylish alloy wheels. The Version L adds premium trim details and a more luxurious appearance compared to the base versions.

Performance:

Powered by a hybrid system combining a **3.5-liter V6 engine and electric motors** (with a total output of approximately **308 hp**) paired with the **2WD (front-wheel system)** system. The RX 450h delivers a smooth ride, excellent stability, and impressive fuel efficiency — ideal for both city and highway driving.

Interior and Comfort:

The **Version L** offers a luxurious cabin with **leather seats** (heated and ventilated), power-adjustable seats with memory settings, a panoramic view monitor, premium audio system, thoughtful ergonomics, and high-quality materials throughout. The spacious interior comfortably accommodates up to five passengers.

Technology and Safety:

Equipped with **Lexus Safety System+**, which includes adaptive cruise control, pre-collision braking, lane keep assist, blind-spot monitoring, and rear cross-traffic alert. It also features premium navigation, a head-up display, 360-degree camera system, parking sensors, and an intelligent parking assist system.
