Overview

The Lexus GX550 Overtrail+ 01/2025 is a premium 4WD SUV designed for serious off-road capability and modern luxury. %READMORE% This Lexus GX for sale is available as a used car for sale in Cyprus through our trusted car dealership, offering exceptional performance, advanced safety systems, and refined comfort.

Driving Performance

Powered by a 3400cc gasoline engine paired with a 10AT with floor MT mode, the GX550 delivers smooth yet powerful acceleration. The advanced 4WD system combined with hill descent control and anti-skid technology ensures confident driving on highways, rough terrain, and challenging weather conditions.

Interior and Equipment

The cabin accommodates 5 passengers and features a Moon Desert & Black color combination. Electric seats, seat ventilation, seat heating, dual-zone climate control, and premium genuine leather seats provide a high level of comfort for both driver and passengers.

Technologies and Assistants

Equipped with adaptive cruise control, lane keep assist, blind spot monitoring, collision damage reduction braking, and a full all-around camera system, the GX550 prioritizes safety. Apple CarPlay and Android Auto integration enhance connectivity and everyday usability.

Exterior

The bold SUV design is complemented by adaptive LED headlights, front fog lamps, roof rails, aluminum wheels, and a sunroof with glass roof. Its rugged yet premium styling highlights the Overtrail+ character built for adventure.
