

Lexus NX , 2024

Lexus NX350h Version L 4WD - January 2024

Safety and Assistance Systems:

This Lexus NX350h comes with four-wheel drive (4WD) and power steering (PS) to support stable and responsive handling in various driving conditions. Navigation assistance enhances driver confidence during long and short trips alike.

Comfort and Multimedia:

Equipped with automatic air conditioning (AAC) and power windows (PW), the vehicle ensures a comfortable cabin environment. The integrated navigation system offers convenient route guidance and access to in-car features.

Interior and Seats:

The interior features premium leather seats that combine comfort and durability. The ergonomically designed cabin layout provides a pleasant driving and riding experience, ideal for daily use and longer journeys.

Exterior:

Finished in a luxurious Pearl color, this NX350h stands out with elegance. The 2500cc engine delivers efficient hybrid performance, making it a solid choice for drivers seeking both style and eco-conscious driving.
