Overview

The Lexus GX550 Overtrail+ 09/2025 is a premium off-road oriented SUV that combines rugged capability with advanced Lexus luxury and technology.

%READMORE% Finished in Titanium Carbide Gray, this 4WD model delivers exceptional performance on challenging terrain while maintaining refined comfort and cutting-edge safety systems for everyday driving.

Performance and Off-Road Capability

Powered by a 3.4-liter twin-turbo V6 engine paired with a 10-speed automatic transmission, the GX550 offers strong torque and smooth power delivery. The advanced 4WD system, Multi-Terrain modes, and digital differential lock enhance traction and control across mud, snow, sand, and rocky surfaces.

Interior and Comfort

The cabin blends durability with premium craftsmanship, featuring heated and ventilated electric seats and high-quality materials throughout. The McIntosh surround sound system ensures an immersive audio experience, while modern infotainment with Apple CarPlay and Android Auto keeps connectivity seamless.

Safety and Technology

Equipped with Lexus Safety System+, Lexus Teammate, adaptive cruise control, Lane Keep Assist, collision mitigation braking, Blind Spot Monitoring, Parking Assist, and a 360° camera system, the GX550 provides comprehensive driver assistance and

confidence both on and off the road.

Exterior

The bold and angular design of the GX550 in Titanium Carbide Gray emphasizes its robust off-road character. Aluminum wheels, roof rails, sunroof, and practical Overtrail-specific features reinforce its adventurous yet premium identity.
