

Lexus UX , 2024

Lexus UX300h F Sport - WHITE COLOR - 2024

Safety & Assistance Systems:

Power Steering (PS), Anti-lock Braking System (ABS), Vehicle Stability Control, Full Airbag System (Driver / Passenger), and an Anti-theft Security System. The Lexus UX300h ensures safe and confident driving in all conditions – from city streets to highways.

Comfort & Infotainment:

Air Conditioner (AC), Touchscreen Multimedia System, Built-in Navigation, Digital TV Function (TV), and an advanced Audio System with multiple connectivity options provide a comfortable and engaging experience for all passengers.

Interior & Seating:

Power Windows (PW), Ergonomic Sport Seats with F Sport styling, and a modern interior design create a dynamic and comfortable cabin. The space is designed to accommodate 5 passengers with ease.

Exterior:

White Exterior (Color Code: 083), sporty and elegant design with sharp lines, original Alloy Wheels (AW), and aggressive F Sport styling emphasize the premium and dynamic character of this hybrid crossover.
