

Lexus NX , 2024

Lexus NX350h Version L - 04/2024

Safety and Assistance Systems:

This NX350h is equipped with modern safety features, including an anti-lock braking system (ABS), multiple airbags, power steering (PS), and a keyless entry system. These technologies provide enhanced security and confident handling across all driving conditions.

Comfort and Multimedia:

The cabin offers a high level of comfort with automatic air conditioning (AAC), power windows (PW), and a sunroof (SR). An integrated navigation system ensures convenient route planning, contributing to a smooth and enjoyable driving experience.

Interior and Seats:

The interior features premium leather seats that offer both comfort and durability. Designed with everyday usability and elegance in mind, the layout ensures a refined and spacious atmosphere for both driver and passengers.

Exterior:

Painted in sleek Black (Color No. 223), the NX350h has a bold and modern appearance. Alloy wheels (AW) add to its sporty character, while the 2500cc hybrid engine delivers strong performance with improved fuel efficiency.
