Overview

The Lexus GX550 Overtrail+ 11/2025 is a rugged yet luxurious full-size SUV designed for serious off-road capability and premium everyday comfort. %READMORE% Finished in Graphite Black Glass Flake with a distinctive black and white interior, this Overtrail+ grade combines powerful performance, advanced safety systems, and refined Lexus craftsmanship in one commanding package.

Performance and Capability

Powered by a robust 3.4-liter gasoline engine paired with a 10-speed automatic transmission and full-time 4WD, the GX550 delivers strong torque and confident performance on and off the road. Hill Descent Control and advanced traction systems enhance stability in challenging terrain while maintaining smooth highway driving dynamics.

Interior and Technology

The spacious cabin offers electric seats with heating and ventilation, dual-zone climate control, and a premium half-leather interior. A factory navigation system, panoramic view monitor, digital inner mirror, and integrated front and rear dashcams provide convenience and security. Connectivity features include Bluetooth, USB, and TV (Full-seg) functionality. A built-in cool box adds practicality for long journeys and outdoor adventures.

Safety and Driver Assistance

Equipped with Lexus Safety System technologies such as adaptive cruise control, Lane

Keep Assist, collision mitigation braking, blind spot monitoring, parking assist, 360° camera system, and automatic high beam, the GX550 ensures maximum protection and driver confidence in all conditions.

Exterior

The bold design in Graphite Black Glass Flake emphasizes the GX's strong body lines and off-road-ready stance. LED headlights, roof rails, aluminum wheels, and a moonroof enhance both functionality and premium appeal.
