Overview

The Lexus LX600 7-seater 09/2023 is a flagship luxury SUV that combines exceptional off-road capability with premium craftsmanship and advanced technology. %READMORE% Finished in Graphite Black Glass Flakes with striking crimson leather interior, this one-owner model features exclusive Modellista aero parts and delivers both commanding presence and refined comfort for up to seven passengers.

Performance and Capability

Equipped with a 3.4-liter twin-turbo V6 engine and a 10-speed automatic transmission, the LX600 provides powerful acceleration and smooth performance. The advanced 4WD system ensures confident handling on highways as well as demanding off-road terrain, supported by Hill Descent Control and comprehensive traction systems.

Interior and Comfort

The spacious three-row cabin offers genuine crimson leather seats with heating and ventilation functions, creating a first-class travel experience for all occupants. Premium features such as a digital inner mirror, cool box, electric seats, and a moonroof enhance long-distance comfort and convenience.

Safety and Technology

Advanced driver assistance systems include adaptive cruise control, Lane Keep Assist, collision mitigation braking, Blind Spot Monitoring, Parking Assist, and a 360° surround-view camera system. These features ensure maximum safety and ease of maneuvering for a large SUV.

Exterior

The bold design is elevated by Modellista aero components, side step metal plates, adaptive LED lighting, and elegant aluminum wheels. The Graphite Black Glass Flakes finish emphasizes the LX's strong and prestigious character.
