Mazda 2 15S Smart Edition – 01/2022

Exterior:
This **Mazda 2 15S Smart Edition** is finished in a stylish **black**, offering a sleek and confident appearance that highlights the compact hatchback's refined proportions. The design reflects Mazda's **Kodo** philosophy, with sculpted body lines, a wide front grille, and modern LED lighting. The car sits on **15-inch steel wheels with wheel covers**, and features include **a 360° view camera**, rear spoiler, and smart key access. Despite its compact size, the car has a strong road presence and excellent maneuverability in tight spaces.

Performance:
Powered by a reliable and efficient **1.5-liter inline-4 petrol engine**, the Mazda2 produces approximately **110 horsepower**. It comes with a **6-speed automatic transmission (FAT)** and **front-wheel drive (2WD)**, offering smooth, responsive acceleration and excellent fuel economy around **5.0 L/100 km**. The suspension is tuned for daily comfort, making it ideal for both city commuting and light highway use.

Interior and Comfort:
The cabin features high-quality **fabric seats** and a modern, intuitive layout. It comfortably accommodates **five passengers**, with **60/40 split rear seats** for flexible cargo space. Automatic air conditioning (AAC) keeps the climate under control, and keyless entry with **push-button start** adds convenience. The steering wheel features built-in controls, and the cockpit is designed for both practicality and driving enjoyment.

Technology and Safety:
Equipped with a **360° view monitor**, **center display**, **navigation**, **TV tuner**, and **Mazda's Advanced Smart City Brake Support (SCBS)**, the Smart Edition offers a well-rounded tech and safety package. Standard safety features include **ABS**, **traction control**, **multiple airbags (front, side, curtain)**, **lane departure warning**, and **rear sensors**.
