

Mazda CX-60 , 2023

Mazda CX-60 XD L Package - 12/2023

General Overview

The **Mazda CX-60 XD L Package (2023)** represents Mazda's flagship SUV — a perfect fusion of strength, luxury, and cutting-edge technology. Finished in elegant style and powered by a refined diesel engine, this model embodies modern Japanese craftsmanship and confident road presence. With its premium comfort, advanced safety systems, and dynamic character, it's designed for those who appreciate sophistication and performance in equal measure.

Performance and Efficiency

Under the hood lies a **3.3-liter diesel engine** producing **231 horsepower**, paired with a smooth **automatic transmission** and **2WD system**. The new-generation Skyactiv-D engine delivers powerful torque, remarkable fuel efficiency, and refined driving dynamics. Whether cruising on the highway or navigating city roads, the CX-60 ensures a confident, composed, and efficient ride.

Interior and Comfort

The **L Package** brings a premium interior finished with **leather seats, heated seats,** and **power adjustment** for maximum comfort. The cabin offers a seamless blend of technology and luxury — featuring **Android Auto, Apple CarPlay, 360° camera system, keyless start, rear-view camera,** and **dual-zone climate control**. Every detail has been designed to enhance comfort and convenience for both driver and passengers.

Technology and Safety

Equipped with Mazda's latest driver assistance technologies, the CX-60 includes **adaptive cruise control, lane assist, blind spot monitoring, parking sensors,** and a **power tailgate** for everyday practicality. **Alloy wheels, folding mirrors,** and **start/stop technology** complete the modern, efficient design.
